Adventures

Young Life Adventures in Baja, Mexico is a discipleship service camp you won't want to miss! Join us for a life-changing week of growing closer to Jesus, making new friends, and serving the people of Mexico.

Young Life Adventures Baja blends all you love about Young Life camp with a chance to make a difference in the world. You will stay in the comfortable setting of Rancho Sordo Mudo, a school for the deaf in the Guadalupe Valley of Mexico. At the Ranch, we'll eat delicious meals, enjoy club and cabin times, hang out at the pool and around camp, and enjoy the beauty of Baja. Each day we'll leave the Ranch to serve the surrounding communities in different ways. You'll get to befriend orphans and other Mexican children and help build a house for a family in need. We believe your time at Young Life Adventures Baja will change your heart and life forever. Don't miss this incredible experience!
