*Discipleship Service Camp in Baja, Mexico*

# Please support me to serve in Baja, Mexico this summer!

Adventures

I have the incredible opportunity to spend a week this July in Baja, Mexico with Young Life Adventures. While in Baja, I will participate in a variety of service experiences working with the people of Mexico. Along with the other Young Life campers I will be spending time playing with orphans, helping with local community service needs, and building a complete house for a family! As part of the Young Life Adventures Baja experience, I will stay at a school for the deaf in the Guadalupe Valley and participate in a discipleship camp experience, where I will be growing in my faith as well.

Young Life Adventures will partner with existing ministries who have a sustainable presence in Baja, and who will continue to meet the needs of the people there long after I have returned home. The family we build a house for will be selected by native Mexican staff who know the community and help pick the neediest candidates for a home. Though my time in Baja will be brief, I get to support those who stay in the community and continue to make a difference after I return home.

I would love for your help in making this life-changing service opportunity a reality. Would you please consider making a tax-deductible donation to Young Life to help fund this experience? The cost of building a house for a family is around \$7,000—such a small amount to radically change a family's life! Your donation will help provide the funds necessary to buy materials for this house, as well as other costs involved with this service trip. Please join me in praying for this trip, for the people we will serve, and for God to work in mighty ways.

To support my service trip to Mexico, please make your check out to "Young Life". Any donation over \$25 is tax deductible. Thank you for your prayers and support!
