

I have the incredible opportunity to spend my spring break in Northern, Mexico with Young Life Adventures serving others! While on this trip, I will participate in a variety of service experiences working with the people of Mexico. Along with the other Young Life campers I will be spending time playing with orphans, helping with local community service needs, and participating in construction projects! As part of the Young Life Adventures Mexico experience, I will participate in a discipleship camp experience, where I will be growing in my faith as well.

Young Life Adventures will partner with existing ministries who have a sustainable presence in Mexico, and who will continue to meet the needs of the people there long after I have returned home. Though my time in Mexico will be brief, I get to support those who stay in the community and continue to make a difference after I return home.

I would love for your help in making this life-changing service opportunity a reality. Would you please consider making a tax- deductible donation to Young Life to help fund this experience? Your donation will help provide the funds necessary to buy materials for work projects, provide food for families, as well as other costs involved with this service trip. Please join me in praying for this trip, for the people we will serve, and for God to work in mighty ways.

To support my service trip to Mexico, please make your check out to "Young Life" and write my name in the memo line. Any donation over \$25 is tax deductible. If you would like receive a link to give online, please send me a text message to:

Thank you for your prayers and support!
